General Code Announces Acquisition of Penns Valley Publishers

Rochester, NY – September 2005 -- General Code announced today the acquisition of Penns Valley Publishers, the oldest codification company in Pennsylvania. Henry Fry of Fry Communications, Inc. cited General Code's highly respected customer service reputation and its dedicated client-centric focus as reasons that led him to offer the Penns Valley business to General Code. The acquisition will encompass ongoing services and customer support to nearly 1,000 Pennsylvania communities.
