

A man with a beard and long hair, wearing a teal sweater, is leaning over a desk and pointing at a computer monitor. A woman with glasses, wearing a red dress and a black leather jacket, stands behind him with her arms crossed, looking at the screen. The office has modern decor, including a large desk lamp and a white mug on the desk.

ONLINE CODE PORTAL

A white silhouette of a city skyline with various building shapes, including a prominent skyscraper, positioned horizontally across the middle of the page.

Transform the online code experience  
for your city

## Boost transparency and efficiency with a flexible user experience

*eCode360*, our proprietary online code portal, is specifically designed to house codified ordinances and municipal information in one convenient location. *eCode360*'s flexibility meets the needs of a wide variety of users from municipal staff, to planners, to constituents. Top features include:

### Shareable Code Content

Multiple sharing options provide quick responses to questions about your code for improved transparency. Link directly to specific sections and chapters in emails, or social media.

### Robust Search Capabilities

Advanced filters help users find code information by keywords, phrases, chapters, content types and more. The Multicode tool gives users the added ability to find sample legislation and see how other cities are handling legislative topics. Our first-of-its-kind mobile app also lets you access thousands of codes in our eCode library from any smart phone.

### Empowers Active Engagement

*eCode360* is a simple, intuitive way for everyone in your city to navigate through a code of ordinances. Our new *eCode360* API also makes it easy for municipalities and other organizations to seamlessly link to code content through their own systems and platforms.
